[www.edwardjones.com/seth-wilkins](http://www.edwardjones.com/seth-wilkins)

I received my Bachelor of Science degree in economics from the U.S. Naval Academy in Annapolis, MD. Upon graduating in 2009, I was commissioned as an officer in the United States Marine Corps and served eight years as a pilot. Throughout my military career, I counseled Marines in personal finance and the importance of implementing a personal financial strategy. Seeing the positive financial impact in others led me to pursue a career in the financial services industry after leaving active duty.

As a financial advisor, one of the many privileges I have is learning your story and understanding your "why".

What's important to you?  
What are your goals?  
What's your comfort level with risk and volatility?

Factors critical in providing you tailored and personalized financial recommendations.

This is a partnership. In whatever phase of life you're in, I come alongside you to develop a personalized strategy to reach your financial goals. But it's more than simply building an investment portfolio.

Do you have estate considerations?  
Tax strategy?  
Saving for education or long-term health care costs?  
Planning for unexpected events?

Your situation is unique, and so should your individual strategy be.

Whether you're local to Live Oak or in another state, I have clients throughout the country. How we meet is what's most comfortable for you: in person, via phone or live web conferencing. I also provide periodic free seminars on various topics of interest from Investing 101 to Social Security, etc., and I'd be happy to host for your or your organization.

Lastly, I'm guided by my faith and driven by my family (wife of 14 years, four children, two dogs, and a cat). I consider serving you a long-term relationship. I become invested in not only your financial success, but also in your personal story: mourning your loss and celebrating your wins.

If you'd like more information on how I work with clients, or you'd simply like to have a conversation, I invite you to reach out. Thank you and I look forward to meeting you.

# Welcome to *Suwannee County!*

“Way down upon the Suwannee River, far, far away. That's where my heart is yearning ever, home where the old folks stay.” (“Old Folks at Home,” aka “Swanee River” by Stephen Foster)

Residents of this county can feel the rush of the Suwannee River flowing through their veins. The foam rising in the wake of a boat; the bubble of the river on a calm fishing day; the whisper of the wind, twinkling between the leaves of a towering Live Oak before skimming across the rich tea-colored surface of the water. These are just a few of the many sensations that come to mind when thinking about Suwannee County. They bind us together; they're familiar to us all.

Maybe you're more familiar with the lush green hay fields. How about the contrast between the hot sun beating down on your chilled skin after swimming in Little River Springs? Does the thrum of country and folk music floating through the air from the Spirit of the Suwannee Music Park bring back any fond memories?

If not, then perhaps it's the colorful community that warms your heart. Whether from a church social where you got to meet your neighbors, a school function where you met your spouse or even a sporting event where you and your friends cheer for the Branford Buccaneers or Suwannee Bulldogs, the many faces and memories of Suwannee County are sure to be abundant.

Join us in this, our first issue of *LIFE in Suwannee County*, as we form your guide to the county. Many of these sections will offer contact names, phone numbers, locations, titles and much more to help boast the wonders of living in one of the most enchanting counties in Florida.

# THE BASICS

*Your guide to Suwannee County*

# A SHORT HISTORY: THE BIRTH OF SUWANNEE COUNTY

Born out of the western part of Columbia County, Suwannee was founded as the 37<sup>th</sup> county in the State of Florida on Dec. 21, 1858. The name “Suwannee” is thought to have originated from the Native American word “sawani,” which roughly means “echo river,” or from the Spanish name, San Juan de Guacara or “St. John of Antiquity.” At the time, Suwannee County had an approximate population of 2,000 people.

Live Oak was founded around 1863 and comprised of 640 acres of land, which expanded to 960 acres when the area was incorporated on April 24, 1878. “New Branford,” now just simply Branford, was incorporated as a town in 1886 and was originally known as “Rowland's Bluff.” While Live Oak and Dowling Park were known for their booming sawmill industries, Branford's primary business at the time was sourced around old steamboats carrying timber down the Suwannee River to Cedar Key.

Meanwhile, Wellborn was founded in 1860 and housed one of the largest cotton warehouses in the area. The community was named after Louis Wellborn Dubose, who was a civil engineer who worked on the railroad from Tallahassee to Jacksonville. Dubose was given 162 acres of land near the town in appreciation of his help. Later, the

town would be known as the first place in Suwannee County to have brick paving, which was one block north of former Highway 90 (now County Road 10A).

Originally called “Obrine,” the area of O'Brien was established in 1880. It had two churches, sawmills, a turpentine still, cotton gins and five stores. At one point, it was called “Obrine Station” before the name officially became O'Brien. Meanwhile, the area of McAlpin, named after Daniel M. McAplin—a publisher of the *Suwannee Democrat*—was formed in 1882. By 1886, it had a population of 30 and was known for its production of cotton.

Like other rural counties, you may have to dig a little deeper to find activities appealing to travelers, but many natural springs, riding trails, parks and festivals exist in Suwannee County if you look in the right places. Luckily, you're holding the 2023 edition of *LIFE in Suwannee County*—your guide to Suwannee County. *LIFE in Suwannee County* will provide you with everything you need to know about Suwannee County; whether it's the contact for your local daycare, information on building permits or the sports teams available at local high schools, *LIFE in Suwannee County* has got you covered.

### **Property Appraiser**

**Ricky Gamble**

### **Property Taxes**

Your tax bill is determined by the local taxing districts (Suwannee County Commission, Suwannee River Water Management District, School District and municipalities). The appraisals for property are done by Property Appraiser Ricky Gamble's office, which is located at 215 Pine Ave. SW, Ste. B, Live Oak, Fla. 32064. Property owners are taxed on the

assessed value of the property times the county millage rate minus any exemptions for which they qualify. The current millage rate varies and the taxes increase if the property is located within a municipality (i.e., the Town of Branford, the City of Live Oak).

### **Homestead Exemption**

To claim a homestead exemption or other exemptions, such as widow/widower's exemption or senior citizen's exemption, the property owner must go to Ricky Gamble's office to fill out the appropriate paperwork in order to claim the exemption. A new law requires yearly registration if there is any change in the property status. New construction has no assessment charged the first year of construction completion. If you have any questions for the property appraiser's staff, please call (386) 294-1991.

### **Licenses and Permits**

Sharon W. Jordan serves as the county's Tax Collector. Besides property taxes, Jordan and her staff collect revenue from occupational license fees (set by the county commissioners) and from hunting and license fees (set by the state). You may call the Tax Collector's office to locate the figures for the 2023 tax season. Jordan's office is located at 215 Pine Ave. SW, Ste. A, Live Oak, Fla. 32064. Call (386) 362-2816 for more information.

### **Vehicle Registration**

After you purchase a car or reside in the state with a new or used car, the State of Florida requires you to register the vehicle for 12 months (primary owner's birthday to

birthday) with the Florida Division of Motor Vehicles (FDMV). Non-transferable registration consists of the following items: 1.) Serially numbered validation decal to be placed on license plate, attached in a visible place on the rear of the vehicle and 2.) A registration certificate (keep a copy handy in your vehicle at all times, as you may be asked to present it to any law enforcement officer in case of an accident or an alleged traffic law violation or infraction). Registration will require that you bring with you to the FDMV office: proof of Florida insurance (issued or countersigned by a Florida agent); vehicle title; proof of identity (photo driver license or current passport) and taxes and fees, including an initial registration fee of \$225. Chapter 320, Florida Statutes, enumerates Florida law regarding these requirements. For complete answers on this subject, visit the website at [www.flhsmv.gov](http://www.flhsmv.gov) or call (850) 617-2000 or the Live Oak DMV at (386) 362-5550.

### **Building Permits**

If you are planning to build in the near future, then you need to seek out the Building Department, located at 224 Pine Ave., Live Oak, Fla. 32064 or call (386) 364-3408. Newcomers who plan to occupy a mobile or manufactured home need to visit the same Building Department office, where they can pick up a packet of information regarding county requirements for mobile home residents. Also available from the Building Department is a checklist which outlines requirements for a permit for mobile home residents. A new septic tank permit can be obtained through the Health Department at (386) 362-2708 for \$250.

### **Voting**

Elected officials play an important role in the quality of life in Suwannee County. To cast your vote for those you trust the most, you need to register to vote at the office of the Supervisor of Elections. Supervisor Jennifer Kinsey and her staff are located at 302 Pine Ave. SW, Live Oak, Fla. 32064 and can be reached at (386) 362-2616. You can pick up an application to register to vote at one of the county libraries, city and town halls or any office that offers family services. Registration is simple; you just have to fill out the application. You will receive your voter card by mail soon afterward. Remember to carry

your photo ID to the polls when you vote. Kinsey's office will provide you with a district and precinct map to help you orient yourself to your proper polling place. What changes were made to the election process? In December 2005, the elections office installed a new system, which allows anyone, regardless of disability, to be able to vote independently. The tabulator will reject the vote if the voter has over-voted. School board races are now non-partisan. This means the voters in his/her own district will be able to vote for any of the school board candidates, regardless of the voter's or the candidate's political party affiliation. They now have a "universal ballot," which means if there is no opposition in the general election, then all voters, regardless of party affiliation, will be able to vote.

### **Circuit Court**

The office of the Clerk of the Circuit Court has both court and Suwannee County government responsibilities. The Clerk serves both the circuit and county courts, helping people gain access to the courts

while maintaining the courts' records for criminal felony and misdemeanor cases, circuit and county civil, family, probate and small claims proceedings, juvenile cases and traffic citations. In addition to collecting and disbursing court fines and fees, the Clerk's office handles jury summons, juror and witness fees, issues marriage licenses and processes passport applications. The Constitution of Florida also specifies the Clerk serves as the Clerk of the Board of County Commissioners and Clerk to the Value Adjustment Board. As Comptroller, the Clerk is the custodian of all county funds and responsible for the safekeeping of the county's revenues and watching over its expenditures. The Clerk also serves the public as the County Recorder and guardian of the public records of Suwannee County. The Clerk of the Circuit Court welcomes you to view its website at [www.suwgov.org](http://www.suwgov.org). The Clerk of the Circuit Court for Suwannee County is Barry Barker. The Clerk of the Circuit Court for Suwannee County is located at 200 S Ohio Ave., Live Oak, Fla. 32064. He can also be reached at (386) 362-0500.

# Strength and Honor

Jason

**ountree for Sheriff**  
Suwannee County

## Who I am

My name is Jason Rountree. I am a follower of Jesus Christ and an active member of my church community. I am married to an incredible wife and have three of the most loving, loyal, daughters a man can be blessed with. I am heavily involved in volunteer programs. I have served this community as a law enforcement officer for more than twenty years. My career success as a policeman has been based largely on an ability to form relationships, award credit appropriately, and maintain integrity and honor in all dealings with our community. I am self-driven and creative. I look forward to bringing a greater vision to Suwannee County.

## My vision

As your next Suwannee County Sheriff, I will fight hard to keep the peace, maintain crime-free neighborhoods, and ensure safer roadways, parks, and recreational areas. Like so many families in this community, ours has been devastated by the torments of drug and alcohol addiction. I will pursue a hope to eradicate dangerous drugs from Suwannee County, apprehend those who profit from them, and work to release those who are trapped in the vicious cycle of addiction. I created a plan to ensure we are prepared to respond to the unimaginable terrors of our current world and are positioned to respond quickly to the most important needs of this community. Moving forward, we will leave behind the old system and build a stronger trust with employees, our community, and neighboring agencies through relationships built on strength and honor. We will steward the budgetary resources the community has entrusted to us as if they were our own. I will always remember the Office of the Sheriff serves at the pleasure of the people so long as it has the people's trust. My vision is a better Suwannee County for tomorrow, today!

Paid for and approved by Jason Rountree, Republican, for Suwannee County Sheriff

*Your guide to Suwannee County*

### HCA Florida Suwannee Emergency

HCA Florida Suwannee Emergency is a 12-bed emergency room that is an extension of HCA Florida Lake City Hospital. Their state-of-the-art emergency room offers a full range of capabilities and provides the same level of excellent emergency care as their main campus's emergency department. They are committed to enriching their community through extraordinary healthcare for both adult and pediatric emergency patients, along with significantly shorter wait times. As a standalone emergency department, they are equipped to take care of their community and meet the needs of those experiencing severe medical emergencies.

#### Emergency Services

Emergency specialists consist of physicians, physician assistants, nurse practitioners, licensed nurses, emergency technicians and respiratory

therapists who stand ready to accommodate a variety of emergency procedures, such as diagnostics, accidents, injuries, disease management, stabilization and transport. HCA Florida Suwannee Emergency offers many services for patients who have emergencies, such as broken bones, lacerations, joint dislocations, injuries from accidents and heart attack and stroke symptoms.

Services include: 24/7 adult and pediatric emergency medical services; chest pain treatment; diagnostic services, including computerized tomography (CT), digital radiographic X-ray and ultrasound; experienced and highly skilled staff; a full-service lab; pulmonary embolism treatment and stroke treatment.

If you or a loved one are experiencing a medical emergency, call your doctor or 911 immediately or go to the closest emergency room.

*Your guide to Suwannee County*

## CITY OF LIVE OAK

Live Oak is the county seat of Suwannee and was founded before the Civil War. In 1905, it was listed as the fifth-largest city in Florida, only behind Jacksonville, Pensacola, Tampa and Key West. This popularity faltered when an infestation of an insect called bolls weevils devastated the town's crops. Today, it is a pleasant city with many tall live oak trees spread throughout. The city is known for its historic buildings, agricultural activity and freshwater springs.

## TOWN OF BRANFORD

Branford is a relatively small town on the Suwannee River near the intersection of US Highways 27 and 129. In a 2020 census, it was determined there are 712 residents in the town, which is not significantly different than a 1920 census, which stated the town had 708. Until 1890, Branford was only a steamboat stop on the Suwannee River and was originally known as Rowland's Bluff. The name Branford was chosen by a railroad worker, Henry Plant, who wanted to name the town after his hometown in Connecticut. In 1923, the last steamboat was sent through the Suwannee River and caused the Town of Branford to go into a depression because the town played an integral role in steamers hauling timber through the river. Today, Branford is a quiet and proud community, best known for its cave-diving and springs.

## TOWN OF MCALPIN

McAlpin is an unincorporated area in Suwannee County located 11 miles south of Live Oak. The small town was settled in 1882 and had a population of 30 by 1886. McAlpin was named

after Daniel M. McAlpin, who was the publisher of the town's newspaper. Although the town is small, many are drawn to it because it encapsulates "Old Florida" with its many family-owned stores and rural landscape.

## TOWN OF O'BRIEN

O'Brien is one of two unincorporated communities in Suwannee County. The community was settled in 1882 and by 1885, the population had grown to 150. While the town now consists of a few houses and businesses and a small post office, O'Brien was at one time a bustling community. O'Brien had up to a half-dozen general stores, a sawmill, a grist mill and a cotton gin. The town even had a doctor, a drugstore, a mayor and a school. It was originally known as Dab's Hole, after a sinkhole in town. According to the Suwannee County Historical Commission, a dance pavilion was at one time built over the sinkhole, which was filled in the late 1980s. The town was later named O'Brine Station, later to O'Brine and is now known as O'Brien. It was named after a railroad official with the Savannah, Florida and Western Railroad, which ran through the center of town.

## TOWN OF WELLBORN

Wellborn is an unincorporated community in Suwannee County and the perfect destination for one searching for outdoor recreation. The town was first settled in 1830 by plantation owner George E. McClellan. He initially named the settlement Little River, however, this changed many years later. Visitors and residents both enjoy Wellborn's relaxing natural setting, whether it be hiking a nature trail or taking a dive into one of the many springs the town has open to the public. Outside of recreational activities, Wellborn is known for its annual Blueberry Festival, held every June.
