## DOH-Hamilton issues rabies alert

DOH-Hamilton  
Contributor

The Florida Department of Health in Hamilton County (DOH-Hamilton) is issuing a rabies alert in Hamilton County in response to a confirmed case of rabies in an unvaccinated pet cat that died suddenly in an area north of Jennings off Northwest 27<sup>th</sup> Boulevard on Wednesday, May 6. DOH-Hamilton is monitoring rabies among wild animals in the area. All residents and visitors should be aware that rabies is currently present in the wild animal population.

People and domestic animals should always avoid physical contact with wild animals (e.g., raccoons, bats, foxes, skunks, otters, bobcats, coyotes), which carry a higher risk of human exposure and a need for rabies post-exposure treatment. If you are exposed to rabies, receiving appropriate treatment after exposure will protect you from the risk of rabies.

This rabies alert is for 60 days and includes the following boundaries in Hamilton County: *See "Rabies" on page 3A*

## CAMPBELL WINS DISTRICT 4, District 1 runoff set for June 9

Christian Peterson  
reporter@riverbendnews.org

The City of Live Oak held its municipal election on Tuesday, May 5, with voters deciding races in District 1 and District 4.

In District 1, four candidates competed for the seat among 382 registered voters. Adam Collins led the race with 31 votes, followed closely by Tommie Jefferson with 22 votes. Robintina Reed

received 15 votes, while Terry Richardson earned one vote.

Due to the close vote count, Collins and Jefferson will advance to a runoff election on Tuesday, June 9.

District 4 voters selected between incumbent Matt Campbell and challenger Robert J. Brady, Jr. Out of 665 registered voters in the district, Campbell received 120 votes to Brady's 58, securing another term *See "Election" on page 3A*

## Wildfire fight continues in Lafayette County swampland

Danny Federico  
editor@riverbendnews.org

A wildfire that began as a 100-acre blaze in southern Lafayette County has since grown into a 2,200-acre firefighting operation deep within the Rawhide Sog and Mallory Swamp Wildlife Management area.

The South Canal Fire was first reported by the Florida Forest Service (FFS) on Monday, May 4, at approximately 100 acres. By the following day, the blaze had expanded to 350 acres, then reached 500 acres that same day.

In a Facebook post made on Wednesday, May 6, the Lafayette County Sheriff's Office reported the fire had grown to 1,200 acres, with smoke and ash plumes traveling northeast toward U.S. 27 and County Road 420. At the time, more than 50 firefighting personnel, 20 firefighting dozers, helicopters, tanker planes and other fixed-wing aircraft were deployed to combat the fire.

The South Canal Fire continued to grow, reaching 1,400 acres the next day before later increasing again to 1,600 acres.

In an update on Friday, May 8, the FFS shared that the blaze remained at 1,600 acres and was at 10% containment. The update noted that 85 personnel and 30 tractor-

## Community survey seeks input for downtown Jasper revitalization plan

Danny Federico  
editor@riverbendnews.org

Community members are being asked to share their thoughts on the future of downtown Jasper as part of an effort to create a long-term revitalization plan for the area.

The City of Jasper and the North Florida Economic Development Partnership have partnered with the economic development consulting firm Retail Strategies to develop a five-year action plan focused on strengthening and improving the downtown area. As part of the planning process, residents, workers and visitors are asked to participate in a public survey to gather feedback about the downtown district.

## Today Can Be Different: *Are we hooked on hatred?*

**Sheryl Boldt**  
Guest Columnist

You thought you could stop any time. Next thing you know, you're hooked.

What went through your mind when you read my opening sentences? Likely, you thought about an addictive behavior you or someone you care about is struggling with.

But did "hatred" also cross your mind?

Think about it. In this politically caustic environment, how often do we give in to hateful thoughts about people with whom we disagree?

We foolishly thought we could handle a hostile thought now and then. That we could stop any time. But ... the next thing we knew ... we were hooked.

Before long, we couldn't stop ourselves. Those who disagree with us are clearly the enemy. The first mean, malicious thought was so enticing that it led to another mean thought.

Now, thinking this way has become all-consuming. We act as if we can't get enough of believing the worst of "them."

Consequently, our lives have changed in a way we didn't expect or want. With so much hate filling our thoughts, we're no longer a credible witness of Christ to the loss. We can't read our Bible the same way. Even our other relationships seem different somehow. Why?

Because our mean-spirited thoughts have compromised our hearts.

Just as it would have been better for an alcoholic to avoid that first sip or a gambler to avoid that first wager, it would be better for us to avoid that first bitter thought. But even if we've already started down that road, meditating on Philippians 4:8 can transform our thinking:

"Finally, brothers, whatever is true, whatever is honorable, whatever is just, whatever is pure, whatever is lovely, whatever is commendable, if there is any excellence, if there is anything worthy of praise, think about

these things" (ESV).

What would happen if we asked God to make us aware whenever we think something less-than-praiseworthy about others, including "them"?

It's possible to strongly disagree with people without spit-firing snarky remarks in our hearts. Degradation will never lead to mutual love and respect in relationships with those on the other side. Snark will never allow us to explain our point of view. Instead, it closes the door to open communication. Forever.

Furthermore, bitterness can sabotage all our relationships, including with people we want to share Christ with.

No addictive behavior will get us where we want in life, especially in our relationships. Unless, of course, we become hooked on behaving more like Christ.

## Living God's Way: *Our speech and conduct toward others*

**Carlton McPeak**  
Guest Columnist

Our speech and our conduct may influence others more than we think; people are watching. Paul provided some inspired guidance regarding our speech and conduct toward others (Colossians 4:5, 6).

Paul said our conduct toward outsiders should be with wisdom. When mentioning "outsiders," he was probably speaking about those who were not members of the church Jesus built, and maybe more precisely, those who were not members of a local congregation of Christians.

A result of using the proper conduct toward outsiders will afford us opportunities to do good things for them and to influence them in spiritual matters. Paul said Christians are to make the most of those opportunities. Some examples for us might be helping people see how Christians are to live their lives or offering an invitation to worship

services or Bible study. Wise conduct may generate an opportunity to explain how one became a Christian and the benefits of being a Christian.

Part of our conduct is our speech. Paul gave some very good advice to practice when we are speaking to others. He said our speech should "always be with grace." Speaking with grace will always include kindness. Whenever our speech needs to be firm, it can still be done with grace.

Giving the illustration of "as though seasoned with salt" helps us understand this grace. Some foods just need a little salt to make them taste better, more palatable. Sometimes we need to add "a little salt," a little grace, to our words so that they are easier to accept, especially when something unpleasant needs to be said.

This may be one of the most difficult things to do. It is easy to use "gracious" words when we are praising or complimenting someone. However, when it comes to some type of correction, we often do not use grace. We are often harsh, mean

or disrespectful to the person we are trying to correct. Even in these circumstances, we need to let our "speech always be with grace."

Figuring out the best way to respond to a person, especially those who need correction, will require some seasoning. But how about those with whom we disagree, regardless of the subject and especially in religion and politics? In both cases, seasoning our words and giving considerable thought to our response is absolutely necessary for the Christian.

Being a Christian is more than saying, "I believe in Jesus," and "confessing Him as your Lord and Savior." Jesus expects and demands that our speech be seasoned and our conduct wise. May we use these two types of behavior toward others to give them an opportunity to see how one should be living God's way.

*Scriptural quotations from the NASB.*

## Cagle Grams: *How do you try a spirit?*

*"Beloved, believe not every spirit, but try the spirits whether they are of God: because many false prophets are gone out into the world. Hereby know we the Spirit of God: Every spirit that confesseth that Jesus Christ is come in the flesh is of God: and every spirit that confesseth not that Jesus Christ is come in the flesh is not of God" (1 John 4:1-3 KJV).*

How can we test a spirit? By Jesus Christ, "were all things created, that are in heaven, and that are in earth, visible and invisible" (Colossians 1:15, 16).

Spirits are invisible. Demons and angels are spirits without visible bodies.

We human beings are also spirits expressing

ourselves through our physical bodies. When our body dies, no one sees our spirit leave our body because the human spirit is also invisible and can pass through matter as it leaves earth and goes to where it will spend eternity.

We actually try spirits every day. Since words originate with our thoughts, which originate with our spirit, when we fact-check what anyone says, we are trying that spirit to find out whether it is telling the truth or lying. Every human being is a spirit following and propagating the truth or following and propagating a lie.

We do the same thing in religion. When someone speaks about God and Jesus Christ and the Holy Spirit and church doctrine, we fact-check them with the Word of God (KJV) to see if they're telling the truth or if they're a lying

spirit. If their preaching is in line with the Word of God, they are of God, but if it isn't, they're not of God. A preacher was from God if he preached the incarnation (come in the flesh) of Christ, and if he denied the incarnation of Christ, he was not of God but a false prophet.

The people at Berea tried Paul's spirit when they took what he preached and then searched the Scriptures to see if those things Paul said "were so" (Acts 17:10, 11).

We fact-check politicians and social icons, but we don't care if the one behind the pulpit in whose care we've entrusted our souls is telling the truth; actually preaching what "thus saith the Lord," and he's the one we should be fact-checking the most.

So, how do you try a spirit? By fact-checking what comes out of its mouth.

plow units were assigned to the incident.

“Air tankers and helicopters worked the fire perimeter most of [Thursday, May 7] to help secure containment lines,” the FFS update stated. “The tankers made an estimated 30 retardant drops.”

The Florida Forest Service also warned at the time that forecast winds could push the fire toward Branford, located roughly 11 miles away, and announced that an incident management team had been called in to oversee operations.

Later on May 8, it was announced that the fire had grown to 1,700 acres. By 9:57 p.m. that evening, the National Interagency Fire Center reported the fire had surged to 2,200 acres and was 20% contained.

On Saturday, May 9, the FFS stated firefighters were able to increase containment thanks to “favorable weather conditions — increased humidity and reduced winds.” The update also explained that crews conducted “strategic firing operations” to remove unburned fuels between containment lines and the main body of the fire. According to the update, those operations contributed to the increase in acreage.

The FFS also noted that months of drought conditions, combined with downed timber left behind by Hurricanes Idalia, Debby and Helene, created abundant fuel for the fire.

By Sunday, May 10, the fire remained at 2,200 acres; however, containment had increased to 37%. The update added that four brush trucks had been brought in for mop-up operations to extinguish lingering heat sources that could threaten containment lines.

“Conditions are conducive for minimal fire behavior, with slow creeping fires allowing for predictable progression of the fire,” the update stated.

In the latest update issued on Monday, May 11, the FFS reported that the South Canal Fire remained at 2,200 acres and had reached 59% containment.

“Extinguishing remaining heat sources that threaten the containment line and reinforcing established fire lines remain the top priorities for both private crews and Florida Forest Service wildland firefighters,” the update stated.

According to the FFS, crews have built containment lines around the fire’s perimeter and are continuing direct attacks near Tar Bucket and Beehive roads in the southeast quadrant of the fire. It also notes that the northern half of the fire accounts for the majority of the current containment percentage.

Weather conditions and rain showers over the weekend helped minimize fire behavior, though the FFS warned that a drying trend is expected later in the week. Additionally, smoke may continue impacting Branford, Midway and portions of the U.S. 27 and State Road 20 corridor.

Residents are advised to continue avoiding the fire area, and drivers are urged to use caution in smoky conditions.

As of May 11, no threat to homes or structures has been reported. No additional updates have been provided as of press morning, Tuesday, May 12.

Take the following precautions to prevent rabies exposure:

• Immunize your pets and livestock based on your veterinarian’s recommended schedule.

Keep pets under direct supervision and on a leash, and keep livestock secured on your property. If an animal bites your pet or livestock, seek veterinary assistance for the animal immediately and contact Hamilton County Animal Control at 386-249-9000.

• Avoid contact with wild or stray animals. Do not handle, feed or unintentionally attract them with

outdoor pet food, open garbage cans, or other sources of food. If you have been bitten or scratched by a wild or domestic animal, seek medical attention, and report the injury to DOH-Hamilton by calling 386-792-1414.

• Never adopt wild animals or bring them into your home; instead, contact a licensed wildlife rehabilitator.

• Call your local animal control agency to remove any stray animals from your neighborhood. Contact Hamilton County Animal Control at 386-792-1414.

• Prevent wildlife, including bats, from entering living quarters or occupied spaces in homes, schools, and other similar areas where they might come in contact with people and pets.

## Plan

*Cont. from page 1A*

“This is where your voice comes in,” said City of Jasper Mayor Jhelecia Hawkins. “This is where you can be heard.”

The survey was created by Retail Strategies and is intended to help guide decisions about improvements, events and development priorities over the next several years. All responses will remain anonymous.

The survey consists of 45 questions covering a variety of topics related to the downtown area. Participants will be asked a couple of personal questions, including their age range, employment location and how frequently they visit downtown. The questionnaire also asks for input on preferred community events, potential maintenance improvements, safety concerns, downtown amenities and ideas for future development.

Other questions explore interest in possible initiatives such as downtown beautification efforts, infrastructure improvements and the potential implementation of paid parking.

“Your feedback is important to the success of this partnership and the future of downtown Jasper,” Mayor Hawkins said.

Residents are encouraged to complete the survey online by scanning the QR code provided or by visiting [www.surveymonkey.com/r/DowntownJasper](http://www.surveymonkey.com/r/DowntownJasper).

## Fundraiser

*Cont. from page 1A*

The first fundraiser raised over \$8,000 for Evangeline McKenna, a local

child suffering from leukemia. Currently, there is a fundraiser going on to support the Clayton family, as Ernie Clayton needs a new heart. That fundraiser is scheduled to end on Thursday, May 14. However, the Ellianos crew is already prepared to support another family right away.

Brittany Durham is a local emergency room nurse and a mother of four. Sadly, she was

recently diagnosed with cancer and is facing a double mastectomy. The Durham family is in need of community support as they face medical, travel and living expenses, as Brittany must step away from work during her battle.

Ellianos will be hosting a fundraiser round-up. Whenever someone orders, they can ask their barista to round up the price of the order; all money earned from rounding up will be donated to the Durham family. On top of that, all donations will be matched by the Live Oak locations. The round-up will begin on Friday, May 15, and will last until Monday, June 15.

# State drops charges against Live Oak man in 2025 case

*Nolle prosequi: A formal, voluntary notice entered on the record by a prosecutor or plaintiff to abandon or drop all or part of a lawsuit or criminal charges.*

Kevin James Gary, a resident of Live Oak who was arrested by the Live Oak Police Department on April 3, 2025, on charges of resisting an officer without violence and lewd or lascivious sexual conduct involving a minor, will not be prosecuted in the case following a filing by the State Attorney’s Office.

According to court records, the State of Florida filed a notice of nolle prosequi, formally ending prosecution of the charges.

The filing states that “justice would best be served by the entry of nolle prosequi” following plea negotiations connected to a separate Suwannee County case, number 2023-241-CF.

According to the document, Gary admitted to violating the conditions of that case and was sentenced to the Department of Corrections as part of the agreement.

The filing further states the decision not to prosecute applies to the charges of lewd or

lascivious conduct involving a child and resisting an officer without violence.

The notice was dated Oct. 13, 2025, and signed by Assistant State Attorney Colin Klein.

# Lafayette County School Board approves exploring self-insured options

Danny Federico  
editor@riverbendnews.org

A variety of topics were discussed during the regular Lafayette County School Board meeting on Tuesday, April 21, including student recognitions, a scholarship opportunity for local students, and employee health insurance costs.

The meeting began with recognitions of four of the district's students.

Each month, students are nominated by their teachers for their growth in the classroom, their exemplary character traits, and for embodying what it means to be a Hornet. Each Student of the Month received a notebook, a certificate of achievement and a card allowing them free entry into any of the district's sporting events.

Although several of the students were not present at the meeting, Superintendent Robbie Edwards read the nomination comments submitted by their teachers.

Caroline Rondon was nominated by her teacher, Katie Grace Pearson, to be selected as April's Student of the Month for Lafayette Elementary School's (LES) grades kindergarten through second.

"Caroline's an exceptional student," Pearson wrote in her nomination. "She works hard, has great attendance, is engaged in classroom discussion and that includes her work. She challenges her classmates and is always very respectable to one

Rebecca Smith nominated Breanna Perez-Binuelo for LES's grades third through fifth.

"She's a soft-spoken, gentle girl with a heartwarming smile," Smith said in her nomination. "Despite her quiet nature, she had the courage to speak up and help another student who was not being treated kindly in the class. Her courage and integrity to do the right thing is to be admired. Breanna has also become a member of our fifth-grade math club. She is tackling hard problems and winning. She recently joined the safety patrol, and I love seeing her reach her full potential to become a leader in our school."

For Lafayette High School's (LHS) middle school grades, Kelli Moseley nominated Harley Huggins.

"She always has a good attitude and gives her best effort," Moseley said in her nomination. "She is kind and respectful in a bright spot in my day."

Rounding out the honorees was Scarlett Hamlin, who was selected as LHS's Student of the Month. Hamlin was nominated by her teacher, Lindsey Jones.

"She has good attendance, a good attitude toward others, participates in classroom discussions, and demonstrates responsibility," Jones wrote in her nomination.

Following these recognitions, the board proceeded through its action items. One item of note was No. 4.05, a memorandum of understanding with the Boys and Girls Club of North Central Florida.

A representative from the club expressed her appreciation for the school board. She also proceeded to discuss the organization's AmeriCorps program, which is open to individuals ages 17 and older and provides participants with a stipend during service and a scholarship upon completion.

According to the club's website, "AmeriCorps is a network of national service programs aimed at improving lives and fostering civic engagement." Through the program, adults are placed in "intensive service positions where they learn valuable work skills, earn money for education, and develop an appreciation for citizenship." It is a "civil society program" that is "often seen as a domestic Peace Corps."

For more information about the AmeriCorp program, visit [www.bgcperry.com/ameriCorps](http://www.bgcperry.com/ameriCorps) or contact Tracy Dees, AmeriCorps Program Director, at 855-364-4327, Ext. 701 or email [ameriCorps@bgcperry.com](mailto:ameriCorps@bgcperry.com).

The board's longest discussion centered on health insurance, as members

approved moving forward with a feasibility study through the Florida Educators Health Trust (FLEHT) to explore a self-funded insurance option.

Superintendent Edwards said the district began looking into alternatives after seeing significant insurance increases last year, some ranging from \$110 a month to \$850, an increase of approximately 17% to 35%. He stated the district explored several possibilities, including remaining fully insured, joining the state insurance plan, and reimbursing employees for marketplace plans. However, he noted that each option came with concerns involving cost, flexibility and fairness among employees.

Due to these reasons, Superintendent Edwards said the self-funded model available through FLEHT appeared to offer more transparency and long-term stability.

"That whole 'black box' thing goes away," he said about the matter of transparency. "We're going to see every penny of our net paid data."

Ted Roush, Executive Director of FLEHT, explained that approving the feasibility study would allow insurance professionals to review district data and develop recommendations, but would not commit the district to joining the program.

"This participation agreement and the capitalization fee will engage our team to be able to work on getting you where you need to go," Roush said. "If it's not Oct. 1, 2026, maybe it's Oct. 1, 2027. You never pay that one-time fee again; but it gets our people to work on your plan to start bringing you funding recommendations."

Roush and fellow FLEHT representative Darren Brian also emphasized that self-funding is a long-term strategy and may not produce immediate savings.

"When you move self-funded, it's a long-term commitment," Brian said. "We won't bring you some next year lower pricing. Because that data is going to be limited, we're going to give you a conservative funding amount, and it may be more than you could get staying fully insured. But it's a long-term savings ... I've never seen a self-funded plan get outperformed by a fully insured plan."

He and Roush further explained the program could help smooth out future insurance increases by placing districts into a larger risk-sharing pool, giving them more control over their own claims data and insurance planning.

Following a bit more discussion, the board unanimously approved moving forward with the study.

The next Lafayette County School Board meeting will be held at 6 p.m. on Tuesday, May 19, in the School District Office, located at 363 NE Crawford St. in Mayo.

# Suwannee Commissioners welcome new emergency management director, Sharon Hingson

Christian Peterson  
reporter@riverbendnews.org

On Tuesday, May 5, the Suwannee County Board of County Commissioners met for its regularly scheduled meeting. The evening began with the board approving the minutes from the previous meeting, followed by a call for public comment.

Keith Broaders was the only comment. He stood up and spoke about the Constitution.

The meeting then turned to a proclamation recognizing May as National Foster Care Month. Sebastian Plank, Outreach Recruitment Specialist with the Partnership for Strong Families, stood up to speak about the agency's work, especially around foster care. After that, the proclamation was approved unanimously.

The board then moved on to its consent agenda. Six items were approved, including a grant amendment for the Branford Public Library.

After that, it was time for staff items. Economic Development Director Jimmy Norris was the first to report. He told the board about the groundbreaking ceremony for the Hampton Inn & Suites held on Thursday, April 30. He then presented a video of the groundbreaking project, which had been in the works since 2022.

Tim White then stood up to speak in place of Suwannee County Fire Rescue Chief Dan Miller. He spoke about multiple things, including an EMT scholarship. He also brought up the burn ban, recommending that the board continue the ban, and pointing out that the drought was so severe that the

Department of Forestry was not issuing burn permits anymore.

The board then moved to its general business, with the first item being the burn ban. Moses Clepper stood up to speak, voicing his concern about the ban and stating that the forecast showed days of rain ahead.

Wendy Martin followed, stating she had no problem continuing the ban and that the little rain predicted would do little to help the drought.

Chairman Franklin White said that he had many piles of items he needed to burn and was not in favor of government overreach. However, he was concerned about the number of fires that had happened before the burn ban went into effect and needed to look out for the general public.

The other commissioners voiced their agreement with everything Chairman White said. He then stated meteorologists did not expect heavy rainfall until June. He ended by saying that Chief Miller and the commissioners were just following the Department of Forestry's recommendation. After that, the board approved extending the burn ban.

The meeting then turned to the commissioners' items. The board recognized the Our Community Cares Coalition for its Tri-County Youth Leadership event. Commissioner Don Hale, who participated in the event, specifically thanked the group and the children on his canoeing team who had won first place. The coalition thanked Commissioner Hale for his participation and the impression he made on the children before presenting a plaque to the board.

The meeting then turned to County Attorney

Adam Morrison's items, which was a conflict waiver. He told the board that, since he was now serving as the attorney for the Suwannee County Development Authority, the commissioners needed to approve a conflict waiver. The board approved it unanimously.

After that, the board turned to its general business. There was only one item, which was a discussion regarding tree trimming equipment lease and lease-to-own acquisitions. Public Works Director Brenda Flanagan stood up to speak on the matter. She explained that the current lease was for 10 tractors with multiple additions and would end on Wednesday, June 10. After some discussion, the board approved the lease of one tractor/bat-wing mower combination and two tractor/grapple rake combinations. They also approved lease-to-own agreements for two MowerMax Prime Gen 4 units with a 26-foot boom arm, 60-foot rotary deck and 84-foot grapple. The total **See "Hingson" on page 5A**

cost would be \$155,307.65, with annual payments being \$33,740.79.

The meeting continued with the additional agenda items. First was to approve a letter of support for the Original Florida Tourism Task Force. Norris explained that the letter was similar to the next item, and it would recognize the work of the task force and its desire for grant funding. The board approved the item unanimously. The second item was to approve a letter of support for the North Florida Economic Development Partnership. This was also approved unanimously.

The board then focused on County Administrator Jason Furry's items. He told the board that Sharon Hingson was officially the Suwannee County Emergency Management Director and invited her up to speak.

She thanked Furry and the committee for selecting her to serve as the director. She then told the board and public that she had an open-door policy and welcomed visitors. Hingson also stated that she would regularly attend meetings to provide updates on emergency events. She also thanked the Community Emergency Response Team (CERT) for attending the meeting and stated she hoped to provide better support to them and their work. The board then congratulated Hingson on her appointment.

Bo Hancock stood up and thanked the board for taking emergency management back under their purview. He also stated he was looking forward to Hingson's work with emergency management.

Michael Meador stood up next to speak on behalf of CERT, voicing the group's support of Hingson as the Director.

Furry then told the board about a group called Charters of Freedom. The group was providing

re-creations of the Declaration of Independence, Constitution and Bill of Rights for the United States 250<sup>th</sup> Anniversary, as long as they were provided a place to set up for it. The board approved unanimously.

The discussion then turned to the new livestock facility, with Furry explaining that an agreement should be available at the next meeting to complete the show barn. The board began discussing the roughly \$600,000 shortfall in funding, clarifying that when the contract is approved full funding has to be pledged as security. The board decided to pledge \$300,000 from contingency and the remainder from the CARES reserves.

The meeting was then adjourned. The next Suwannee County Board of County Commissioners meeting will be held on Tuesday, May 19, at 5:30 p.m. in the Judicial Annex, located at 218 Parshley St. S.W. in Live Oak.

## Town of Jennings and Hamilton County continue EMS negotiations

Rick Patrick  
Riverbend News

During the regular meeting of the Jennings Town Council on Tuesday, May 5, there was much discussion regarding an interlocal agreement between the Town and Hamilton County for space for interim emergency management services. The county has proposed using the east side of the current Jennings Fire Station for the "placement of personnel necessary to provide more timely and effective emergency medical services responsiveness to town residents, as well as residents in the areas outside the town municipal limits."

A point of contention for the Jennings Town Council is a section of the agreement that calls for the town to contribute an amount of money to the county, still to be determined. According to the agreement, "this contribution is intended to assist in offsetting the costs of staffing and providing EMS services to the Town." There were those among the town council members who felt that if the town is providing space to the county to house EMS equipment and personnel, the town should not still have to pay the county. Town Attorney Sheena Rickerson suggested the two parties continue to compromise and consider what each is bringing to the table. The specific dollar amount of the town's required contribution is still being negotiated. No final action was taken on the agreement.

During public comments, Andre Jackson spoke regarding the placement of a mobile home on Berry Street Extension. It recently came to the attention of the mobile home's owner that the home is located within the city limits. The mobile home does not meet the current requirements that state mobile homes must be five years old or newer. The mobile home has apparently undergone reconstruction and improvements to its appearance. Town Manager Jennifer Gramling stated the town has denied permits to others for that reason.

"The age of the mobile home is the issue," said Gramling.

The question of whether or not to grant an exception in this case was tabled until a scheduled special meeting in order to allow Attorney Rickerson an opportunity to research exceptions and other information.

The town council approved an interlocal agreement with the county to utilize the county's engineer for the inspection of a Florida Department of Transportation Small County Outreach Program (SCOP) paving project.

The town council approved \$20,000 to replace pumps for the town's water treatment. The cost to repair the pumps was \$10,000. The town council approved the purchase of new pumps to save money in the future. The town council also approved the purchase of a breathing tank and mask for use when working with and around chlorine gas.

There will be a special meeting of the Jennings Town Council on Tuesday, May 26, at 6 p.m. The next regular meeting of the Jennings Town Council will take place on Tuesday, June 2, at 7 p.m. Both meetings will take place in the town hall meeting room, located at 1291 Florida St. in Jennings.

The Jennings Town Council met on Tuesday, May 5, to discuss a variety of issues facing the town. Among the items was a proposed interlocal agreement with the County to house EMS equipment and personnel in the Jennings Fire Station.

## Suwannee County School Board approves half-cent sales tax referendum for November ballot

Danny Federico  
editor@riverbendnews.org

During their Tuesday, April 28, regular meeting, members of the Suwannee County School Board took a moment to honor their student ambassadors before discussing a proposed referendum election regarding authorization of a one-half cent school capital outlay surtax on sales within the county.

The meeting began with a presentation from Suwannee Pineview Elementary's Faith Builders Club. Sponsored by the school's academic coach, Becky Carter, the club is inspired by the history and mission of the Fellowship of Christian Athletes.

The club meets once a month and provides students with an opportunity "to grow in faith and character in an age-appropriate and engaging way."

Students explained that local church and community members visit the club each month to share lessons that focus on important character traits, such as kindness, honesty, respect, perseverance, responsibility and compassion.

Carter said the Faith Builders Club has existed since Suwannee Elementary was first built roughly 20 years ago and continues to draw a strong amount of participation from students.

"We used to hold it in the music room, and we would be packed out from wall to wall in there," she said. "We hold students in there now, so

we've moved to a classroom ... but we're still packed out."

Board members praised both the students and Carter for their work with the program.

"That club is so important for our young people," Lesley Fry said while thanking Carter for continuing to sponsor the group despite the demands of teaching. "To take on that and teach them leadership and integrity ... just thank you. It does not go unnoticed."

After their comments, Chairman Ed daSilva opened up the section of the meeting outlined for student recognitions. This month, the school board honored its 2025-26 student ambassadors, Jon Weisner from Branford High School and Cooper Williams from Suwannee High School.

DaSilva said the ambassador program was created several years ago to provide the board with direct student perspectives from the heart of the school campuses. He added that, since the program's inception, student reports have become more detailed over the years, giving board members updates on athletics, academics, student activities and necessary campus upgrades.

Each student received a certificate of recognition and a check to show the board's gratitude for their service.

Following these recognitions, board members proceeded through the meeting agenda items. One of the most significant actions taken during the meeting came when the board approved a resolution calling for a referendum election on a proposed

half-cent school capital outlay sales surtax. The measure would appear on the Nov. 3, 2026, ballot and, if approved by voters, would remain in effect from Jan. 1, 2027, through Dec. 21, 2036, per Section 212.055(6) of the Florida Statutes.

In the plan for use of the proceeds accompanying the resolution, titled "Exhibit A," funds would support construction, renovation, replacement or renewal of facilities and campuses; school security systems; and technology upgrades, "including technology infrastructure, hardware and software for various sites" within the school district.

Section 2(E) of the resolution adds that an independent citizens oversight committee would be established by the

school board, and annual reporting on projects funded through surtax revenue will be presented to the board and the school board audit committee.

Discussion on the resolution remained relatively brief; however, some board members raised concerns about the wording in the ballot language, noting inconsistencies with "one-half cent" and "half-cent" being used. Ultimately, the item passed 4-1, with Ronald White voting against the resolution.

Following a few other items and discussions, the meeting was adjourned. The next regular meeting of the Suwannee County School Board will be held at 6 p.m. on Tuesday, May 26, in the district office, located at 1740 Ohio Ave. S. in Live Oak.

# Obituaries - In loving memory

## Janice P. Francis

My dear wife, Janice, passed away on Tuesday, April 14, at Live Oak Healthcare and Rehabilitation Center in Live Oak, Fla., after several months of unsuccessful treatments. I seldom missed a day of visiting as I watched her gradual decline from dementia and physical injury from falls. We were together for 36 years. She was my "Sky Goddess," having met when working for Eastern Air Lines. She was a flight attendant and I was her pilot. Previously, she had been a personal secretary to the company's chief financial officer for over a decade. Col. Borman—Eastern's CEO and former astronaut—pinned her wings when she graduated from flight training. Jan displayed a color photo on her desk at home. "I wanted to

see more of the world," she explained. Janice is survived by her brother, Michael Pawlish and his wife, Glenna and her sister, Debbie and her husband, John Garrett—in or near Dallas, Texas, and Pensacola, Fla. and Linda Derwick—Jan's best and longest friend in Tallahassee, Fla. — respectively. And so she did see the world—for a while—with me. Janice will be placed to rest in her family's sacred grounds in Pensacola. Jan's favorite activity was caring for and loving dogs—from basset hounds to border collies to her last pet, Rusty, a Nova Scotia Duck Tolling Retriever (or just "tollers").

"Goodbye, my dearest. I shall love you forever."

## Marilyn Loges

Marilyn Loges passed away on Thursday, April 23, 2026. She was born in Lake City, Fla., to Hugo and Catherine Leslie. She was preceded in death by her parents; her beloved husband of 45 years, Norman; sister, Bonney Reynolds; nephew, Christopher Reynolds; as well as brothers-in-law, Jack Reynolds and James Terry.

Marilyn is survived by her daughters, Susan Loges and Christy Powell; grandchildren, Alana Burch, Nathan Powell, Isabella Powell and Elaine Powell; siblings, Samuel Leslie, Barbara Leslie and Carol Terry; as well as numerous nieces, nephews and several cousins.

She attended elementary through high school in the Columbia County Schools, graduating in 1967. She attended Lake City Community College, finishing with an A.A. degree in 1969 and a B.S. in Exceptional Education from Florida State University in 1971. During three summers of college, she worked as a camp counselor at the Florida Methodist Youth Camp in Leesburg, Fla. She taught school in Pinellas County for four-and-a-half years on the elementary level in the area of Specific Learning Disabilities (SLD). She continued teaching SLD students at the middle school level in New Orleans, La., fourth-grade regular education students at Westwood Christian School in Live Oak for one-and-a-half years, followed by 29 years at Suwannee High School in various levels and subjects for Exceptional Education Students, retiring in 2015. She loved teaching and the many students she was privileged to work with.

After retiring, she volunteered as a reading tutor in the library and school systems and was a member of the Suwannee/Lafayette Retired Educators Association. Marilyn has been a member of First Baptist Church of Live Oak, Fla., since 2002, serving in various capacities and ministries. Her deepest joy was in her faith and relationship with Jesus Christ, followed by her love for her children and grandchildren. She had the honor of being able to pray for and encourage families, friends and many others.

There will be a visitation on Saturday, May 23, from 10 a.m. to 11 a.m. at First Baptist Church in Live Oak, Fla., with a memorial service immediately following at 11 a.m.

Please sign the guestbook at [www.danielsfuneralhome.com](http://www.danielsfuneralhome.com).

DANIELS FUNERAL HOMES & CREMATORY, Live Oak and Branford, Fla., is in charge of arrangements.

## Margaret Rochelle Walker Sealey

Margaret Rochelle Walker Sealey, 91, passed away on Wednesday, May 6, 2026, at the Tri-County Care Center (Haven Hospice). She is the daughter of the late Harvey and Zila Jacobs Sapp and is preceded in death by one son, Ralph Turner. She had made Lake City her home all of her life. She was a member of Ephesus Advent Christian Church and of WHFM; she enjoyed playing slot machines, traveling on boats and working in her garden.

granddaughters, Kristy Maddox (Jeff) and Shannon Knisley (Jeffrey). A host of extended family also survives.

A memorial service for Margaret Rochelle Walker Sealey will be held on Wednesday, May 13, 2026, at 11 a.m. at the Gateway-Forest Lawn Funeral Home Chapel, with Reverend Randy Henderson officiating. Visitation with the family will be held one hour prior to the service at the funeral home. Friends and family are warmly invited to attend the service.

Arrangements are under the direction of GATEWAY-FOREST LAWN FUNERAL HOME, 3596 S. U.S. 441, Lake City, Fla. 32025. Please leave words of comfort for the family at [www.gatewayforestlawn.com](http://www.gatewayforestlawn.com).

# New market opens in Live Oak

Danny Federico  
editor@riverbendnews.org

A new market debuted on Saturday, May 9, in Live Oak. The Crafty Corner Market will officially meet from 10 a.m. to 2 p.m. every second and fourth Saturday of the month at Millennium Park, located at 130 Howard St. W. in Live Oak.

The market will feature vendors offering a variety of goods, including fresh home-baked goods, handcrafted products, farm-fresh eggs and locally grown produce.

"What makes Crafty Corner Market truly special is our focus on community connection," said Laura Kay Meyers, organizer of the market. "It creates a space where families can socialize, support local vendors, shop small and build new friendships."

Vendors of all types are welcome, especially informational booths, health and wellness vendors and nonprofit organizations who can provide resources for the community.

During the market's second event, on Saturday, May 23, several fun activities will be available for attendees to enjoy. The Worship Room will be on hand to provide free clothing for individuals in need, and the market will also recognize World Turtle Day with educational information about turtle habitat and conservation.

For more information about upcoming events, visit the Crafty Corner Market Facebook page.

# May Day celebrations happening in White Springs

Christian Peterson  
reporter@riverbendnews.org

May Day has arrived and with it comes celebrations across the state. White Springs is a popular destination for these celebrations, of which two will take place on Saturday, May 16.

First is the “Trucks, Toys and Tricks” celebration. It is hosted by Ash B., OG C-Mob and “The Real Donk Ride or Die.” There will be booths, cool trucks and fun times with the community. On top of that, there will be a live

performance by Mike Smiff. The celebration will be held at the Bailey Ogburn Ballpark, located on Adams Memorial Drive.

The second celebration is titled “The Gospel Ride: A Celebration of the Emancipation Proclamation.” The event is free to attend and will feature singing, praise dancers, African libation, local entertainment, out-of-town entertainment and a gospel play called “Pulling from Yesterday.” On top of that, there will be old-fashioned cooking. Attendees will need to bring their own chairs. The event will last from 10 a.m. to 3 p.m. and will be held at the Old Carver School grounds on Mill Street.

## Veterans invited to coffee and conversations with CareerSource

Danny Federico  
editor@riverbendnews.org

On Thursday, May 14, area Veterans are invited to join CareerSource North Florida at the Hardee’s in Jasper, located at 1616 N.W. U.S. 41, for coffee and conversation during its upcoming “Coffee With a Veteran” event.

The event, which will be held from 9 a.m. to 11 a.m., is designed to provide Veterans with an opportunity to connect with each other and learn about resources available to them, all while enjoying complimentary coffee provided by Hardee’s.

For more information about the event or other opportunities available through CareerSource North Florida, call 850-973-9675 or email [contact@careersourcenorthflorida.com](mailto:contact@careersourcenorthflorida.com).

## Hamilton County 4-H to host “Timeless Treasures” event for senior citizens

Danny Federico  
editor@riverbendnews.org

Senior citizens in Hamilton County are invited to participate in “Timeless Treasures: Connecting Hearts Across Generations,” a community event organized by the Hamilton County 4-H youth.

The event will take place at the Jasper Senior Center on Friday, May 15, from 9:30 a.m. to noon, and will feature a variety of fun activities to bring generations together. Participants will be able to enjoy trivia, music, bingo and prizes, along with booths from agencies and organizations that provide services for seniors.

Lunch will include barbecue chicken with trimmings, provided by the Hamilton County High School culinary arts program. Attendees will also receive a gift from the 4-H youth.

Decade-themed activities will begin at 9:30 a.m. No registration is required to attend; however, RSVPs will be helpful with planning.

For more information, call 386-792-1276. The Jasper Senior Center is located at 1509 Martin Luther King Dr. S.W.

### MORSELS FOR ZION’S POOR

Peter said, “There is none other name under heaven given among men, whereby we must be saved.” CHRIST is predestined to be the SAVIOR. “Who verily was foreordained before the foundation of the world, but was manifest in these last times for you.” It is folly to consider that HE who rules over all things should somehow not accomplish HIS own will.

1. If HE has an elect people who must be saved, then it follows that: CHRIST alone must save them. How else can they be saved, unless HE saves them?
2. If CHRIST alone must save them, then it follows that: CHRIST alone has obtained their salvation. They are redeemed “with the precious blood of Christ, as of a lamb without blemish and without spot.” This is a “redemption” that “redeems” and a “salvation” that “saves.” Not one drop of the the precious blood of CHRIST was shed in vain nor has it fallen to the ground without accomplishing exactly what HE purposed.
3. If CHRIST has obtained their eternal redemption by the shedding of HIS own blood, then it follows that: CHRIST has saved them, not only from the penalty which was associated with that sin, but from the effects of it as well. The only barrier between the GOD of heaven and HIS elect bride, whom HE has loved from the beginning, is the “sin which doth so easily beset us.” “How much more shall the blood of Christ, who through the eternal Spirit offered himself without spot to God, purge your conscience from dead works to serve the living God?” Do you delight in serving GOD? CHRIST is the SAVIOR of sinners!

## SUWANNEE RECREATION SPORTS ARE RAMPING UP

Christian Peterson  
reporter@riverbendnews.org

As the school year begins to wind down, summer sports for youth are starting to ramp up. Suwannee Youth Football and Cheerleading is leading that charge.

League registration is officially open, giving youth the chance to experience three different sports: flag football, tackle football and cheerleading. Sign-ups are open for all three online.

For flag football, registration fees are \$100. Tackle football registration fees are \$125, and is split into three age groups: 8U, 10U and 12U. Finally, cheerleading registration fees are \$125.

These offer younger children a great opportunity to participate in team sports and get experience on the field.

Additionally, registration for the Fifth Annual Dog Pound Camp is also open. The camp is open to children ages 5 to 12. It will be held on the Suwannee High School Practice Field on Saturday, May 16, from 10 a.m. to noon. Lunch is included for participants. Attendees are requested to wear cleats and gym shorts.

To register for any of the options, visit the Suwannee Youth Football and Cheerleading Facebook page.

## Ryan Donaldson Golf to host Third Annual Charity Golf Tournament

Christian Peterson

## Lou Lee making a name in Suwannee youth baseball

Christian Peterson  
reporter@riverbendnews.org

Jared Lewis Lee is a name synonymous with incredible performances as a cowboy and cowdog trainer across the country. However, a new Lee is beginning to make his name known around Florida: Jared's son, Lou Lee.

Lou is proving himself, not with cowdogs, but instead in the fan-favorite game of baseball, a game Jared, himself, grew up playing. However, Lou's story is one of grit and determination.

His baseball journey started in 2023 when he first tried out for the Suwannee Bombers. Unfortunately, he didn't make the team. This didn't cause Lou to give up, though. Instead, he went home and began to work on his game. He would spend hours fielding balls or practicing in the batting cage.

After a year of practice, tryouts came around once more, and Lou took another shot at the 11U Suwannee Bombers. This time, he made the team, but spent much of the season on the bench. He took it on the chin and continued his training. He worked on speed, strength, hitting and catching. Lou spent hours watching and studying videos, getting bigger, faster and better at the game.

The season came around again, and this time, Lou took his shot at the 12U Suwannee Bombers for the fall season, once again earning a spot on the team. There, he found his swing and started to prove himself as a star player. He ended the season batting over .300 and with four home runs under his belt. On top of that, his love for baseball had only grown.

The 2026 spring season has since kicked off, and Lou's reputation is only growing. In his first three tournaments, Lou hit a walk off homerun to win the championship game and gained three Most Valuable Player (MVP) awards. Later, he traveled to Shipyard, S.C., to play, hitting another home run and being named MVP Allstar. On top of that, he was invited back to compete with the elite players. Lou kept going, traveling to Newberry, Fla., where he competed in the Champion of Champions Tournament. There, he earned another two home runs and helped maintain the Bombers' winning streak. Lou couldn't and wouldn't stop there. He then traveled to Lake City, where the Bombers

played in the USSSA Tournament. There, he hit multiple home runs over three games. He secured a solo home run, a two-run home run, a three-run home run and a grand slam.

"Not only has he become a force at the plate; he's also become one of the go to pitchers on the mound," said Jared. "Being a versatile player, he's seeing a lot of time at third, first and outfield, and loves every minute."

Lou is aware of how hard he has had to work. "My biggest setbacks have been believing in myself and staying confident," he said. "When I was told I wasn't good enough, I wanted to just quit at first, but my love for the game wouldn't let me. My biggest fear is letting my team down."

However, despite these fears and worries, Lou has plenty he is proud of. He cites the championship game-winning home runs as his biggest accomplishment, specifically his game-winning grand slam. He is also proud of his invitation to play the Ship Yard MVP Tournament and the USSSA MVP Tournament.

Lou has also been invited to play for the Five Star Mafia in Jacksonville. They will travel to Cooperstown, N.Y., from Saturday, Aug. 22 to Friday, Aug. 28, where they will compete at the Allstar Village at the Baseball Hall of Fame.

"I could not do anything without God leading me," Lou said. "My biggest fan is my dad; he works with me almost every day and always believes in me and he's always there for me. My favorite baseball player is Freddie Freeman, first baseman for the Dodgers. He is really good and loves the game, one of the nicest guys in baseball. I'm just thankful to get to play with my friends and be able to have fun doing something I love, and I give all glory to God."

Lou's combined batting average this spring is over .400 with 11 home runs, 45 runs batted in, 20 stolen bases and 33 runs.

"If you want to watch some awesome and exciting baseball," Jared said, "come out and watch the Suwannee Bombers Baseball teams go to work in Live Oak at the First Federal Sportsplex."

SERVING SUWANNEE, LAFAYETTE AND HAMILTON COUNTIES

# Remembering Suwannee: U.S.S. Suwannee, Part 2

Photo courtesy of Rob Wolfe  
**Eric Musgrove,**  
County Historian

Last week, we began discussing the World War II escort carrier U.S.S. *Suwannee*. The article ended with *Suwannee's* abbreviated shakedown cruise and orders to enter the war zone at last. We will continue that discussion this week.

As *Suwannee* put to sea from Norfolk, Va., on Oct. 17, 1942, her crew was untried but ready for action. They soon arrived in Bermuda, where they met a large fleet of ships. First reports were that the operation would be an important one, and as they set sail from Bermuda, Captain Joseph J. "Jocko" Clark informed his men that *Suwannee* would be part of the invasion of North Africa. Casablanca was their specific target. Until an airfield was secured in Vichy French territory, *Suwannee* and several other carriers would provide air cover and support the amphibious landings. Vichy France was the part of France that had not been outright conquered by Germany in 1940 (which included the historic French capital of Paris) but functioned as a puppet government of Germany. The capital city was Vichy, hence the name.

The American fleet arrived off Casablanca on Sunday, Nov. 8. Because of the air and naval support provided by the Allied forces, the enemy forces, including one battleship, were neutralized and did no harm to the important carriers and little damage to the other ships. *Suwannee* made history that day when her aircraft caught a Vichy French submarine on the surface and sank it with depth charges, becoming the first American escort carrier to ever sink an enemy submarine. Escort carriers would excel at this anti-submarine mission for the rest of the war, but at this point, it was in its infancy. The Allied assault was too much for the Vichy French forces, and they surrendered on Nov. 12. *Suwannee's* baptism of fire had been successful and helped prove the concept of the escort carrier.

Her mission in North Africa complete, *Suwannee* returned to the United States for replenishment before sailing to join the Pacific Fleet on Dec. 5, 1942, to fight Japanese forces. Passing through the Panama Canal on the night of Dec. 11-12, her yardarm locked with the canal's control tower. Despite the fuss, the slight damage was quickly repaired, and the carrier continued on its voyage.

On Jan. 17, 1943, *Suwannee* arrived at her new South Pacific port of Havannah Harbor on the island of Efate, where she would spend the next seven months supporting American forces. Four days later, Captain Clark left *Suwannee* to command a new fleet carrier, the Yorktown (named for the carrier sunk at the Battle of Midway), which still exists today as a museum in Charleston, S.C. Within days, *Suwannee's* new captain took his ship toward the important island of Guadalcanal to support a major landing attempt. Guadalcanal was a strategically important island north of Australia and east of New Guinea that had been the scene of numerous ferocious

battles since Allied forces had landed there on Aug. 7, 1942. In fact, so many battles occurred, and so many ships were sunk during the campaign, that the channel separating Guadalcanal from nearby islands was called Ironbottom Sound.

*Suwannee* and the rest of the fleet supported the amphibious assault despite enemy fire. With the landings complete, the escort carrier was warned that a major Japanese fleet was at sea en route to reinforce Guadalcanal. The American fleet prepared for action. However, the Japanese were actually evacuating their troops from the island and abandoning their positions; after six vicious months and tens of thousands of dead and wounded, Allied forces could declare victory on Guadalcanal.

*Suwannee* would spend the next seven months covering the movement of ships and troops through the South Pacific, forcing back Japanese forces from their positions while racking up an impressive number of kills. In August 1943, *Suwannee* was ordered to the West Coast for repairs and upgrades. After an uneventful voyage, she docked in Alameda, Calif., on Sept. 10. Her repairs completed, *Suwannee* returned to the combat zone in the Central Pacific as the United States began reclaiming the islands that Japan had conquered early in the war.

Join me next week as we continue our discussion about *Suwannee*.

# Victor Lustig: Taking crime to new heights

Photo courtesy  
Victor Lustig was an accomplished con artist who successfully "sold" the Eiffel Tower in 1925.

Mickey Starling  
*Riverbend News*

Few historical monuments stand out as much as the Eiffel Tower, which looms near the Seine River in Paris, France. At 984 feet high, it was the tallest structure in the world until the Chrysler Building was erected in 1929. The Burj Khalifa, a skyscraper in

Dubai, at over a half mile high, is now the tallest structure in the world. The Eiffel Tower, built by Gustave Eiffel, was completed in 1889, taking only two years to complete.

Eiffel's design won a competition for a suitable monument to celebrate the centenary of the French Revolution, which was held at the International Exposition of 1889.

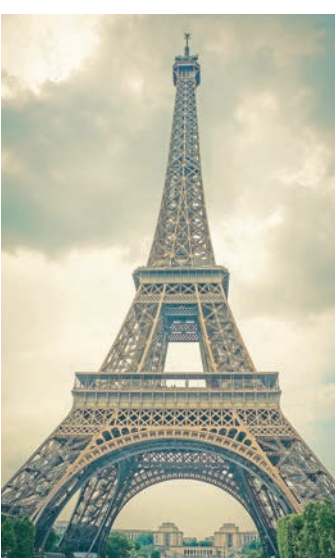

Eiffel knew the massive structure, made almost entirely of open-lattice wrought iron, would be in danger of being taken down if beneficial uses for the tower weren't put into place. He supervised changes that accommodated several worthy uses of the tower, including a meteorological station, military telegraph station and a lab for studying aerodynamics.

Proving that ignorance is never bliss was an artful con man, Victor Lustig, who read of growing complaints, in 1925, from Paris officials about the costs of maintaining the tower. Eiffel had passed away in 1923. The dwindling number of visitors to

the tower caused the press to echo the financial concerns about the tower's upkeep.

Lustig seized upon the builder's death and those press reports to construct a scheme almost as

The Eiffel Tower is a structural marvel that now attracts seven million visitors each year.

brilliant as Eiffel's design. He enlisted the help of a few like-minded scoundrels to pose as scrap dealers, who attend an auction to buy the Eiffel Tower, since it was soon to be "torn down."

Lustig created fake stationary to make his invitations look authentic, and the flawless plan worked. André Poisson was the only legitimate scrap buyer at the auction. He was duped into a purchase of the tower for an unknown sum. After discovering he had been conned, Poisson was too embarrassed to report the crime to the authorities. Lustig repeated his con again the same year but was unsuccessful.

For another 10 years, he continued various scams in France and the United States, before being

arrested in 1935. Lustig was convicted and sent to Alcatraz, the infamous federal prison in San Diego Bay, Calif., where he died 12 years later.

Today, the Eiffel Tower stands as one of the most popular paid attractions in the world, with seven million visitors each year. The tower now features a museum, several restaurants and a large reception room that provides space for various events and social gatherings. It also features several shops and an observation deck at 906 feet up.

It's hard to imagine how much money Lustig could manage to steal today if he was still around to swindle some sucker into thinking the Eiffel Tower was for sale. The sky's the limit, I suppose.

## Hometown Salute Heather Whitfield

Heather Whitfield was born in Orlando, Fla., but currently resides in Madison, Fla. She moved to North Florida 28 years ago. In 2006, Whitfield attended North Florida College's (NFC) law enforcement academy. Now, she is serving at the Office of the Inspector General (OIG) for the Florida Department of Corrections, a role she has been in for the past seven years as a detective.

Whitfield stated that the biggest challenge she has faced in law enforcement is juggling the demand of the career with her role as a mom. When asked what impact she hoped to have on the community, Whitfield said, "I want to treat people with fairness and respect, hold myself to a high standard of integrity and make decisions that reflect both the law and the values of the community I serve."

Whitfield is a proud mother of three. She wants the community to know that "working with the OIG is a different aspect of law enforcement, specifically dealing with crimes that occur within the prison system that most of the public isn't aware of independent agencies like the OIG exist. The OIG investigates both alleged violations of criminal laws and major departmental policy violations or Florida Administrative Code violations committed by departmental employees and also audits and inspects departmental programs." On top of this, Whitfield has been an instructor for NFC for nine years, teaching the basic recruit academy.

# A brighter return: NFC solar project powers savings and workforce growth

NFC  
Contributor

North Florida College (NFC) is turning sunlight into long-term savings with the completion of a new rooftop solar installation, a strategic investment designed to reduce operational costs while supporting the college's most energy-intensive workforce programs.

Installed on two of the college's Madison campus buildings, the system produces an average of two megawatts of power each day, generating enough electricity to power approximately 60 single-family homes. Annually, the system is expected to generate approximately 695 megawatts of electricity, significantly offsetting NFC's overall energy demand.

The solar array delivers both scale and efficiency, creating an estimated annual cost savings between \$40,000 and \$70,000. Those savings directly support continued investment in workforce training and student access.

"Solar and education are two of the investments that create more than they cost," said State Certified Solar Contractor of IGT Solar Lonnie Draper, MD.

With an expected lifespan of more than 20 years, the system positions NFC to stabilize a portion of its operating expenses over time, reducing exposure to fluctuating energy costs while preserving institutional resources for instruction and student support. This goal aligns with the college's access to high-quality, hands-on training in programs such as Welding and Industrial Machinery Maintenance. These programs, which rely on heavy equipment and continuous power usage, are critical to meeting regional workforce needs.

"This project allows us to reinvest in what matters most, our students and programs," said NFC Dean of Administrative Services/CBO Micah Rodgers. "By offsetting energy costs, we are able to sustain and grow the kind of workforce training that directly supports our local economy."

Clemons, Rutherford and Associates, Inc., the architectural firm responsible for the project design, played a key role in bringing the solar installation to life. Will Rutherford, President of the firm, emphasized the significance of the milestone.

"We are very pleased to be part of such a big step for

sustainable design solutions with NFC," said Rutherford. "This project marks the first major step for NFC in alternative energy forms. CRA Architects are extremely pleased to be part of this team."

For a college serving one of the largest rural districts in the Florida College System, the return is both immediate and long-term: lower utility costs, sustained program capacity and continued alignment with regional workforce demand.

"The installation of solar panels on our workforce facility reflects our commitment to innovation and stewardship," said NFC Dean of Workforce and Economic Initiatives and Chief Academic Officer David Dunkle. "At North Florida College, we're preparing students for high-demand fields while emphasizing sustainable practices that support both industry and community."

Rather than scaling back high-energy programs, NFC is investing in infrastructure that allows them to expand responsibly, ensuring students have access to the equipment, training and certifications needed to enter high-wage, high-demand careers.

The project reflects a broader strategy at NFC: pairing fiscal responsibility with forward-looking solutions that strengthen both the institution and the communities it serves.

# HCHS collecting donations for Echols County Wildlife relief

Hailey Waldo  
Riverbend News

As wildfires continue to impact families and emergency crews in Echols County, students and staff at Hamilton County High School (HCHS) are stepping up to help their neighbors in need through a community donation drive.

In a message shared by the school, HCHS expressed support for those affected by the fires and encouraged the community to come together in this difficult time. "Our hearts are with those affected by the wildfires. In times like these, we're reminded how important it is to come together and care for one another," the school shared.

The school is currently collecting donations to help meet immediate needs for both wildfire victims and first responders working long hours on the front lines. Requested items include Gatorade, saline, baby wipes, towels and deodorant.

Donations can be dropped off at the school's front desk or delivered directly to Mrs. Livermore's classroom.

# Suwannee High School hosts Second Annual Academic Signing Day

Christian Peterson  
reporter@riverbendnews.org

On Thursday, April 23, Suwannee High School (SHS) hosted its Second Annual Academic Signing Day. The event was held to honor and recognize students who will attend a four-year university. The Suwannee Academic Boosters (SAB) helped organize and support the day of celebration.

The students honored were Brody Bean (Jacksonville University), Hannah Chauncy (University of Central Florida), Joshua Johnston (University of Central Florida), Jamylai Leon (University of Central Florida), Charlotte Dunn (University of Florida), Lydia Gunter (University of Florida), Noah Lopez (Embry-Riddle Aeronautical University), Jabori Lewis (University of North Florida), A'Chyla Ritter (Florida Atlantic University) and Randy Womble (Florida State University).

"This is a very special group of students who have worked extremely hard for this achievement," said SHS Principal Laura Williams.

"Congratulations to these outstanding students," SHS wrote on its Facebook page. "We are proud of your hard work and can't wait to see what your future holds. Thank you to the SAB for helping organize and support this event."

## Free fiber optics boot camp happening soon

Danny Federico  
editor@riverbendnews.org

Individuals looking to enter a high-demand field will have the chance to gain hands-on training through a free fiber optics boot camp. The one-week program will take place from Monday, May 18, through Friday, May 22, at the College of Central Florida Jack Wilkinson Levy Campus, located at 15390 U.S. 19, just north of Chiefland.

The boot camp is part of the Creating Connections program, which is designed to help fill broadband positions across three rural CareerSource regions, including North Central Florida. Participants will be able to receive hands-on lessons working with fiber optic cable, patch panels and testing equipment.

The program also offers the opportunity to earn three industry-recognized certifications valued at \$3,350, along with job placement assistance in the broadband telecommunications field. Additional support services, such as travel assistance, uniforms and tools, are also provided.

The training is conducted by BDI DataLynk, which provides standards-based instruction sanctioned by the Fiber Optic Association, the largest professional organization in the field.

Residents in Hamilton, Lafayette and Suwannee Counties are eligible to participate. According to Laura Byrnes, Director of Communications with CareerSource Citrus Levy Marion, 10 individuals from the area have completed the program, with four gaining employment in the industry.

Those interested in enrolling or learning more about the program can call 800-434-JOBS (5627), extension 4206, email [broadband@careersourceclm.com](mailto:broadband@careersourceclm.com) or visit [careersourceclm.com/broadband](https://careersourceclm.com/broadband).

## Women of the Word resumes monthly fellowship meetings

Danny Federico  
editor@riverbendnews.org

The Women of the Word group is back for a new year of fellowship and devotion. The group invites both new and returning members to participate in its monthly meetings held every second Friday of the month at 6 p.m. Meetings will include dinner, devotion, prayer and fellowship.

The ministry kicked off its 2026 schedule with a meet-and-greet event on Friday, May 1, to introduce its plans for the year ahead while also providing attendees a tour of the church amenities.

The group's next meeting will take place on Friday, June 12. Women of the Word meets at First Baptist Church of Dowling Park, located at 11274 235th Ln. For more information or to see details about future events, follow the Women of The Word group on Facebook.

## The Faith Project hosting fundraiser for Back to School Bash

Christian Peterson  
reporter@riverbendnews.org

The Faith Project is focused on helping everyone, whether it be those affected by hurricanes to the youngest in the community; the organization is here to help. That is exactly what it is doing with its upcoming chicken and rice fundraiser.

Last year, the group was able to help 500 children start their school year off right with supplies and book bags. Now, as the school year is coming to an end, The Faith Project is winding this project back up in preparation of the new school year. The bookbags have already been supplied; the organization is just looking for a little more money to buy the rest of the school supplies needed.

On Saturday, May 23, The Faith Project will host its chicken and rice fundraiser. Plates include chicken and rice, green beans and a roll, with each plate costing only \$12. To make it even better for those looking for lunch, meals will be delivered. The Faith Project only needs to raise \$1,700 more to finish buying supplies. To order a plate, message The Faith Project on Facebook.

## Locally-produced movie now available for streaming

Mickey Starling  
Riverbend News

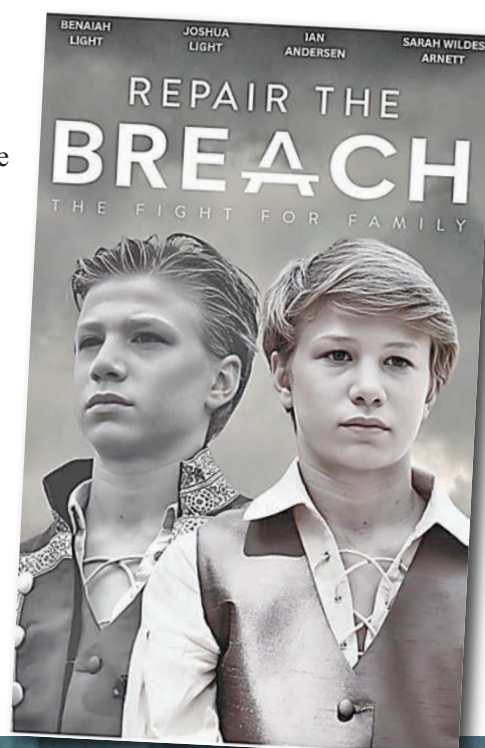

"Repair the Breach," a movie about God's ability to restore us and our families, had a one-night showing at the Valdosta Stadium Cinemas on Monday, April 27. "It sold out quickly," said co-executive producer JerriAnn Webb, who hosted three other showings in Florida, Texas and North Carolina.

Webb and her sister, Megan Light, both of Madison, worked as executive producers of the film for several years, recently bringing it to completion. Their labor of love is now available for you to stream at home. Go to [repairthebreachmovie.com](http://repairthebreachmovie.com) to rent the film, which tells the story of a young boy who is determined to find healing for himself and restoration for his family. Several members of Light's family star in the production as well as other local talent.

The family has been de-valued in modern culture, and this film seeks to help right that ship. Webb and Light point out that the family remains the central figure in the development of a strong and healthy society. "I've never seen a life that Jesus can't heal," stated Webb in a promotional clip for the film. "I've never seen a heart that Jesus can't transform. That is who He is. That is what He does."
