### PUBLIC NOTICE

El Aviso de la Segunda Audiencia Pública está disponible en español en el sitio web de la Ciudad de Live Oak (<https://www.cityofliveoak.org>).

### PUBLIC NOTICE OF PROPOSED CDBG DISASTER RECOVERY MITIGATION INFRASTRUCTURE PROJECTS FOR THE CITY OF LIVE OAK

The City of Live Oak anticipates applying for Community Development Block Grant – Disaster Recovery (CDBG-DR) funding provided by the U.S. Department of Housing and Urban Development (HUD) to support long-term restoration, facility hardening and mitigation efforts following the 2023-2024 storms. This program is being administered by the Florida Commerce Department thru the Community Development Block Grant – Disaster Recovery (CDBG-DR) Program. A total of nine hundred twenty-five million, three hundred ninety-four thousand dollars (\$925,394,000.00) has been allocated for the State of Florida for the 2023 and 2024 Storm Events. Four hundred million dollars (\$400,000,000.00) of that amount has been allocated, by Florida Commerce, to fund infrastructure restoration, hardening and mitigation projects in communities impacted by the 2023 and 2024 storms. The minimum allowable amount a community can request is seven hundred fifty thousand dollars (\$750,000.00). Applications are due to Florida Commerce on or before September 29, 2025. Eligible types of projects are those that demonstrate increased community resiliency. Examples of some of the types of projects encouraged by Florida Commerce are as follows:

- Restoration of critical infrastructure (such as water and sewer facilities, streets, removal of debris, drainage, bridges, etc.)
- Re-nourishment of protective coastal dune systems and state beaches
- Building or fortifying buildings that are essential to the health, safety and welfare of a community (this can include shelters, police stations, fire stations, parks and recreational centers, community and senior centers, hospitals, clinics, schools and educational facilities and other public properties)
- Rehabilitation or construction of stormwater management systems
- Improvements to drainage facilities
- Reconstruction of lift stations and sewage treatment plants
- Road repair and improvement and bridge strengthening
- Upgrading of communications, energy, transportation and health and medical resources and systems
- Development of mitigation standards, regulations, policies and programs
- Dam safety programs, seawalls and levee systems;
- Acquisition of flood prone and environmentally-sensitive lands;
- Retrofitting/hardening/elevating structures and critical facilities
- Relocation of structures, infrastructure and facilities out of vulnerable areas;
- Permanent relocation of residential housing and businesses located in high-risk areas through voluntary buyback programs and rebuilding in low-risk areas
- Public awareness/education campaigns
- Improvement of warning and evacuation systems

Activities that are typically eligible for funding under the Community Development Block Grant (CDBG) Program as well as specific additional activities as outlined in the State of Florida CDBG-DR Action Plan for the program are eligible projects if no other funding is available to meet the need.

The City of Live Oak anticipates submitting five (5) applications for a total of twenty-six million one hundred ninety-two thousand four hundred dollars (26,192,400.) in funding. The project synopsis and budget for the five (5) applications being submitted are as follows:

**Application #1 – Relocation and Replacement of the Hillman Sanitary Sewer Lift Station:** The project involves relocating and rebuilding the Hillman Sanitary Sewer Lift Station. Currently the lift station floods every time there is a significant rain event. The City of Live Oak Sanitary Sewer Collection System serves everyone living in the City of Live Oak, whose residents or businesses are connected to the City's Sanitary Sewer Collection System. Based upon this city wide usage of the sanitary sewer collection system, the Sanitary Sewer Lift Station project proposed herein, would provide a city-wide benefit. The City of Live Oak recently carried out a door-to-door survey of the residents living in the City who would be positively impacted by the proposed project. The results of the door-to-door survey was that the residents of the City of Live Oak are 81.57% low and moderate income. Based upon the recently completed door to door survey this proposed sanitary sewer improvement project application is being submitted as providing a significant benefit to low-and-moderate income people.

The proposed budget for the work to be carried out to relocate the Hillman Sanitary Sewer Lift Station is as follows is as follows:

Structure Name	Project Address or Description	CDBG-MIT Funding	Matching Funds	Total Project Costs
<b>Project Administration</b>	N/A	\$ 308,500.00	\$ 0.00	\$ 308,500.00

<b>Sanitary Sewer Lift Station Improvements)</b>	Relocation of the Lift Station	\$5,000,000.00	\$ 0.00	\$5,000,000.00
<b>Totals</b>		<b>\$6,478,500.00</b>		<b>\$6,478,500.00</b>

**Application #2 – Installation of an Emergency Electrical Generator at the City Hall Annex Project:** The project involves the installation of an emergency electrical generator at the City Hall Annex. The Annex is used as an emergency operations center during and immediately after significant storm events. The City of Live Oak Annex serves everyone living in the City of Live Oak. Based upon this city wide usage of the project proposed herein, would provide a city-wide benefit. The City of Live Oak recently carried out a door-to-door survey of the residents living in the City who would be positively impacted by the proposed project. The results of the door-to-door survey was that the residents of the City of Live Oak are 81.57% low and moderate income. Based upon the recently completed door to door survey this proposed sanitary sewer improvement project application is being submitted as providing a significant benefit to low-and-moderate income people.

The proposed budget for installing the emergency electrical generator to harden the City Hall Annex is as follows:

Structure Name	Project Address or Description	CDBG-MIT Funding	Matching Funds	Total Project Costs
<b>Project Administration</b>	N/A	\$ 37,900.00	\$ 0.00	\$ 37,900.00

HAMILTON COUNTY PUBLIC NOTICE

Hamilton County is applying to Florida Commerce (FC) for a grant under the Rebuild Florida Infrastructure Repair Program in the amount of \$1,200,000 for Hamilton County School District for Flooding Control Measures. The activities, dollar amounts and estimated percentages of project funds being requested from Florida Commerce (FC) are as follows:

Table with 4 columns: Activity Location, Activity Name, IRP Funds, Estimated Funding Percentage. Row 1: Hamilton County School District, Flooding Control Measures, \$1,200,000, 100%

Florida Commerce's Rebuild Florida Infrastructure Repair Program (IRP) has been allocated funds for infrastructure restoration and improvement projects in communities impacted by the 2023 and 2024 Storms (Hurricanes Idalia, Debby, Helene, Milton and the 2024 North Florida Tornadoes). The funding is provided by the United States Department of Housing and Urban Development (HUD) Community Development Block Grant - Disaster Recovery (CDBG-DR) Program to address unmet disaster recovery needs related to damage from the 2023 and 2024 Storms.

Hamilton County's application will propose utilizing \$1,200,000 in Rebuild Florida Infrastructure Repair Program (IRP) funds to create flood control measures at the Hamilton County High School and Hamilton County Elementary School located at 5683 & 5686 US 129 South Jasper, Florida 32052. The activities will include the erection of flood barriers and elevations for flood control measures on the site.

Hamilton County does not anticipate the displacement of persons as a result of funded activities. If any persons are displaced as a result of these planned activities, the County will assist such persons in accordance with the County's Anti-Displacement and Relocation Policy.

This application is open for public comment until September 29th, 2025. To obtain additional information concerning the application or to submit written comments on the application, contact Matthew Morgan, Grant Coordinator at (386) 792-0507 or by email at mmorgan@hamiltoncountyfl.com or by US mail at 204 NE First Street, Jasper FL 32052.
